I cried unto the LORD	G...D
With my voice unto the LORD	G...D
Did I make my supplication.	G... Em
Poured my complaint before Him;	G... D

I showed Him my trouble.	G...D
When my spirit was overwhelmed	G...D
He knew my path	G... Em
He'd foreseen all of the traps	G... D

No one could recognize me	G...D
Running scared had failed	G...D
Seemed no one cared for my soul	G... Em
So I cried O LORD:	G... D

You are my refuge	D...G
My portion in the land of the living	D...G
I am so low; please hear my cry	D...G
Deliver me from those stronger than I	D...G
Bring my soul out of prison	D
And Your Name I'll raise	G
I'll gather with the righteous	D
To sing Your praise	G

Worth Dying For
© Copyright 2012 Toni L. Worthierly

I'll never know why
You felt that I
Was worth dying for
I can't know the pain
Can't feel the hurt
You endured
But though You were never guilty
You took my place before the Lord
And You showed me
I was worth dying for

It's hard to believe
You look at me
And think that I'm worth fighting for
I've caused You such pain
I feel so ashamed
Oh Lord
But You have never given up on me
You bring peace in the midst of my storms
And You showed me
I am worth fighting for

Before I ever took a breath of life
You knew what my path would be
You know I'd make mistakes, lose my way
But You still loved me
I am trying to do Your Will
Live a life that will bring You glory
That is my purpose to fulfill
For the One who gave His all for me

It's hard to believe
You look at me
And think that I'm worth fighting for
So I won't be ashamed
To sing praises to Holy Name
To show You
You are worth living for
