Lord, I need You
Dear God, just be You
'Cause I don't know what to do
But I know You have it all in control
Lord, I need You
Dear God, just be You
Even when the storm is raging
You can still bring such peace to my soul
You are the only One
Who knows just what I need
So, dear God, just be You for me

Soul Satisfaction

Copyright © 2012 Toni Wortherly

Come to the Water that won't run dry
Drink in all His love; it will satisfy
If you're thirsting and yearning for something real
If you go through the motions feeling unfulfilled
Come and Drink
Come and Drink Him In

GDGDCCDAmAmD

He is the sole satisfaction for the soul
He can take all your broken pieces and make them whole
There's no greater peace, no greater joy,
No greater love to find
God alone will meet your needs
He satisfies...
He satisfies

Come get your fill of the Living Bread
Those who dine at His table will leave well-fed
If you're starving and weary, in Him, you can rest
Accept His invitation and receive His best
Come and Dine
Come and Dine with Him

He is the sole satisfaction for the soul
He can take all your broken pieces and make them whole
There's no greater peace, no greater joy,
No greater love to find
God alone will meet your needs
He satisfies...
He satisfies

Oh Lord, You alone will satisfy
Oh Lord, You alone will satisfy me

He is the sole satisfaction for the soul
He can take all your broken pieces and make them whole
There's no greater peace, no greater joy,
No greater love to find
God alone will meet your needs
He satisfies...
He satisfies

Fearless

God has not given me
The spirit of fear
I don't need to be concerned
About what man does to me
I may have some troubled times
I may shed some tears
But, I can look any storm in the eye and say:

I am FEARLESS
God is on my side
I am FEARLESS
In Him, I will abide
I am FEARLESS
Knowing God is in control
I am FEARLESS
No one can harm my soul
I'm FEARLESS
Oh oh oh oh oh oh oh oh...I'm FEARLESS
Oh oh oh oh oh oh oh oh...I'm FEARLESS

In God I trust
And I will not be afraid
To take a step forward
To leap out on faith
I may not understand
The path to my dreams
But, I can look any storm in the eye and say:

I am FEARLESS
God is on my side
I am FEARLESS
In Him, I will abide
I am FEARLESS
Knowing God is in control
I am FEARLESS
No one can harm my soul
I'm FEARLESS
Oh oh oh oh oh oh oh oh...I'm FEARLESS
Oh oh oh oh oh oh oh oh...I'm FEARLESS

If God is my light, whom shall I fear?
If God is my strength, whom shall I fear?

Broken Vessel

AmCGD

Like a potter at his wheel
Keep on shaping me, Lord
Form me into who You want me to be

Work Your Word into my life
That my steps will be ordered
Down the path only You can see

I know along the way, I may make mistakes
That damage Your work of art
And You alone can fix my heart

Lord, can You use a broken vessel
Not worthy of being used by You?
Lord, please use this broken vessel
To carry Your Message of love and truth
This broken vessel wants to be used by You

You're the Potter, I'm the clay
Keep on shaping me, Lord
Form me into what You need me to be

Work Your Love into my life
So I can give it unto others
To help them know Your joy and peace

I know along the way, I may make mistakes
That damage Your work of art
And You alone can fix my heart

He will carry me through the fire
Just to push me a little higher
The Potter knows just what to do
To make this broken vessel available to use

God is the Rock,
His work is perfect:
A God of truth; without iniquity,
He is the Rock,
His work is perfect:
Just and righteous is He
Just and righteous is He

Never forget...
God is the Rock,
His work is perfect:
A God of truth; without iniquity,
He is the Rock,
His work is perfect:
Just and righteous is He
Just and righteous is He

Always remember...
God is the Rock,
His work is perfect:
A God of truth; without iniquity,
He is the Rock,
His work is perfect:
Just and righteous is He
Just and righteous is He

His work is perfect...
His work is perfect...
His work is perfect
So, in Him, I will trust and believe
His work is perfect...
His work is perfect...
His work is perfect
Just and righteous is He
