In all of my life,  
There's never been  
A love like Yours  
You touched my heart  
Changed my dreams, You're  
The One I adore  
I never knew  
To feel this way was possible

Then, You found Me  
When I was lost  
You were willing  
To pay the ultimate cost  
Just to save me  
From my selfish ways  
And Your Love  
Is why I'm here today

My world's so different  
Since the day  
I let You in  
Everyday's not perfect  
But so much better  
Than it had been  
I am so thankful  
That You never gave up on me

You found me  
When I was lost  
You were willing  
To pay the ultimate cost  
Just to save me  
From my selfish ways  
And Your Love  
Is why I'm here today

Because of Grace

It cost God everything  
To save me  
His grace is free  
But it's not cheap  
It cost Him everything  
To save me

So I will worship Him  
I will worship Him

Jesus said, "I lay down  
My life freely  
No one can take my life  
Away from Me"  
He laid His life down  
Freely for me

So I will worship Him  
I will worship Him

Because of His Amazing Grace  
I will worship Him  
Because of His Amazing Grace  
I will worship Him

A New Thing

Copyright © 2013 Toni L. Wrotherly

God gave this promise to me  
Each day, He is doing a new thing  
Making roads in the deserts  
Streams in thirsty lands  
As I trust in His Plans  
Place my life in His hands, and  
Thank Him for everything in advance  
'Cause He's doing a new thing  
In my life, God's doing a new thing

Can't you see it?  
Don't you see it?  
Can't you see it?  
He's doing a new thing

Brand new mercies  
Every day  
He makes a way  
Out of no way  
And His displays  
Of amazing grace  
He's doing a new thing

## The Right Time

When it feels like it's now or never  
I remember, Lord, You reign forever  
A thousand years to You is but a moment  
You alone... know the right time

When it feels like it's do or die  
I remember, Lord, You have time in Your hands  
What seems pressing today may not be Your Way  
You alone... know the right time

I wanna be in Your Will  
I wanna follow Your Way  
I wanna walk on Your path for my life  
You alone... know the right time

I'm gonna trust in Your Word  
I'm gonna be of good courage  
I'm gonna walk by faith not by sight  
You alone... know the right time

Good to Me

Through every test and trial

Until the triumph came

Through every situation

You always remained the same

Even though, I know I don't

Deserve it

Oh, God, You've sure been good to me

Ooooooh, God, You've sure been good to me

Verse 1

Have you ever felt  
Like you were at your wit's end  
Like nothing seemed to be going right  
Like you couldn't call on a single friend

I've been there before  
And I can tell you  
No matter what the situation is  
Here's what you gotta do

Pre Chorus

Remember Paul and Silas were beaten down, thrown in  
jail, left for dead  
But, instead of giving up, they praised God instead  
So here's what you do

Chorus

Praise Him  
Til the earth quakes  
Til the walls shake  
Til the chains break  
Just keep on praising the Lord

Til the sun shines  
Til you smile inside  
Til you have peace of mind  
Just keep on praising the Lord

Verse 2

Have you ever felt  
Like you lost all control  
Like all your dreams were all shattered  
Like you'd never be whole

I'm living witness that  
if you praise your way through  
God will take the opportunity  
to show you there's nothing He can't do.

Fearless

Every day it seems  
There's battles to face  
But, I serve a God  
Who supplies sufficient grace  
And, He hasn't given me  
A spirit that's afraid  
So, I can look any storm in the eye and say:

I am FEARLESS  
God is on my side  
I am FEARLESS  
Of arrows by day, terrors by night  
I am FEARLESS  
Knowing God is in control  
I am FEARLESS  
You can try to break me, but God makes me whole  
I'm FEARLESS  
Oh oh oh oh oh oh oh oh...I'm FEARLESS  
Oh oh oh oh oh oh oh oh...I'm FEARLESS

In life I have had  
Some pretty dark days  
Seemed like the more I prayed  
The more trouble came my way  
But, I trust in God, so I don't have to be afraid  
So, I can look any storm in the eye and say:

I am FEARLESS  
God is on my side  
I am FEARLESS  
Of arrows by day, terrors by night  
I am FEARLESS  
Knowing God is in control  
I am FEARLESS  
You can try to break me, but God makes me whole  
I'm FEARLESS  
Oh oh oh oh oh oh oh oh...I'm FEARLESS  
Oh oh oh oh oh oh oh oh...I'm FEARLESS

No sickness will I fear  
No loneliness will I fear  
No crisis will I fear  
I'm fearless, fearless

No battle will I fear  
No weapon will I fear  
No enemy will I fear  
I'm fearless, fearless

Just give me Jesus  
Just give me Jesus  
Just give me Jesus  
He's all I need  
He's all I need

When I'm not at my best  
Just give me Jesus  
When I'm feeling down  
Just give me Jesus  
When no one is around  
Just give me Jesus  
He's all I need  
He's all I need

When I've done all I can  
Just give me Jesus  
When the storm is raging  
Just give me Jesus  
When I'm feeling frustrated  
Just give me Jesus

He's all I need

When I'm all alone  
Just give me Jesus

Tear Down the Walls  
Copyright © 2013 Toni L. Wortherly

Tear down the walls  
Give God your all  
Don't let anyone hinder your praise  
Don't let anything stand in your way

Tear down the walls  
Hear Jesus call  
There is nothing below or above  
That can separate you from His love

We all go through times  
When God seems so far away  
When everything tells us to give up  
When we start to question our faith

We need to be confident  
That God is still on our side  
Tear down walls built by doubt and fear  
And praise Him with all of your might!
